

The Dieringer Educational Foundation was founded this summer by group of Dieringer alumni who wanted to provide a way for current and former students and their families to support the district. This type of effort had already been extremely successful in supporting the Sumner schools and other regional school districts.

The Dieringer Education Foundation was created with a mission to provide resources for the district that would ensure that its students will continue to have the best educational K-8 experience possible. For information see our web-site www.dieringerfoundation.org.

Donate

Help support our students by donating today! By donating \$100 or more you will become a foundation member and your name will be engraved on the Dieringer Education Fund wall located at North Tapps Middle School.

Do you want to support this cause but are not sure about donating \$100? No problem. Gifts of any size are appreciated and the money will be used to build programs that will ensure our students continue to receive the best education possible.
